

18 BRANCH LECTURES & EVENTS

18.1 CAPE BRANCH

To Follow

18.2 NORTHERN BRANCH (Compiled by Owen Frisby)

| SAAFoST Northern Branch Lectures and Events, March 1963 – 31 December 2010 | | | | | |
|---|--|--|--|---------------------|-------------|
| Date | Title of Lecture | Speaker | Venue | No Attending | Cost |
| 1963 | | | | | |
| 5-3-63 | Some Trends and Possibilities in the Dairy Industry | Prof SH Lombard. University of Pretoria | | | |
| 2-4-63 | To Standardise or Not in the Food Industry | Mr G Robertson. SA Bureau of Standards | Wits University | | |
| | | Dr Lawrence Novellie (spoke twice in this year, dates and topics not known) | | | |
| 15-8-63 (?) | AGM The Milling Industry | Mr J van Selm. SA Milling Company | | | |
| 1964 | | | | | |
| 10-3-64 | The cooking of maize products by roller drying The Birs low-temperature spray-drying process. The pasteurization of liquid whole egg. | Dr F Schweigart Dr E Rickert Mr C Saunders | University of Pretoria | 16 & 17 | |
| 7-4-64 | The use of glass in food packaging | Dr Donen. Consolidated Glass Works | Johannesburg | 10 | |
| 19-5-64 | Aspects of Wheat Milling and Bread Baking | Mr JB Louw. Wheat Industry Control Board | | | |
| 11-8-64 | AGM | Dr GN Dreosti University of Cape Town | | | |
| 8-9-64 | Hygiene and Sanitation in the food industry Reminiscences of thirty years in the UK food industry | Mr WR Mottram. SABS Mr VA Cachia | Univ Pretoria | 22 & 6 | |
| 10-11-64 | Modern trends in flexible packaging. Some aspects of kaffircorn malting | Mr TG Hutt. MD Packsure Dr L Novellie. Head, Bantu Beer Unit of the CSIR | Univ Pretoria: Geography & Domestic Science Building | 19 & 6 | |
| 1965 | | | | | |
| Feb-65 | The problem of aflatoxin | Mr LJ Vorster | | | |
| 22-6-65 | Some aspects of starch chemistry. | Miss EM Montgomery. Fellow, Corn Industries Research Foundation. | Ball Room Lounge, Union Hotel | | |

| | | | | | |
|-------------------------|---|--|---|--------|----|
| | Random thoughts on the inspection of the products of the fish and meat processing industries | USA Mr SP Malherbe. SABS | | | |
| 26-8-65 | AGM (3 rd) Some technical aspects of the mineral water industry | Mr DJ Meijer (speaker) & Mr HAR Enslin (movie) | Union Hotel | 9 & 11 | |
| 5-10-65 | Food Spoilage. Microbiological surveys of food handling factories. | Mr FW Mottram SABS Mr RH Ford. SABS | Union Hotel | | |
| 16-11-65 | Disinfectants Microbiology in industry | Dr CD Kruyff. SABS Mr AG Innes. SABS | Union Hotel | 14 & 5 | |
| 1966 | | | | | |
| 15-2-66 | Lactobacilli associated with Tilsiter and Cheddar Cheese. Groenmieliemeel | Dr AE van Kerken Dr P van Twisk (Both of the NNRI, CSIR) | Union Hotel | 11 & 7 | |
| 12-5-66 | The effect of processing of foods on the availability of amino acids | KJ Carpenter. University of Cambridge, School of Agriculture | Univ Pretoria. Geography and Domestic Science Bldg | | |
| 30-8-66 | AGM (3 rd) Die chemiese samestelling van enkele wilde vrugte afkomsig uit die Noord-Transvaalse en Pretoriase omgewing | Mr AS Wehmeyer. NNRI (National Nutrition Research Institute of the CSIR) | Union Hotel. Pta | | |
| 1967 | | | | | |
| 28-2-67 | The production of high vitamin citrus jelly | Dr NJ Hasset. Univ of Technology, Loughborough. England | Union Hotel | | |
| 19-9-67 | AGM (5 th) Research in the sugar industry Die gebruik van suiker in die verwerking en bewaring van vrugte | M Matic. Sugar Milling Research Institute (SMRI) Mr WL Heesen. SABS | Science Museum Auditorium | | |
| 1968 | | | | | |
| March | Stadsgeondheidsaspekte | | | | |
| May | Opleiding van Tegnici vir die voedselbedryf | | | | |
| 5-9-1968 | AGM (6 th) | | | | |
| 1969 | | | | | |
| 2-10-1969 | Symposium on Packaging | | CSIR Pretoria | | R2 |
| 12-11-1969 | AGM | | | | |
| 1970 | | | | | |
| 21-5-1970 Dr Ingram? | Control of Food in South Africa One-day symposium | Organised by the National Food Research Institute of the CSIR. Opening: Dr WP Steyn, Dept of Health. | CSIR, Pretoria | | |
| 19-11-1970 | Film & recorded lecture - automation | | | 40 | |
| 1971 | | | | | |
| 6-5-1971 | Control in the SA Food Industry. A one-day symposium on factory personnel | Organised by Northern Branch and NFRI. | | | |
| 18-5-1971 | | | | | |
| 31-8-1971 | BGM (8 th , first biennial) Veldkosse. Biltong. | Mr AS Wehmeyer. NNRI. Mr LM Louw. CSIR | Science Museum Auditorium. Didacta Bldg | 15 & 3 | |
| 20-9-1971 | | | | | |
| 1972 | | | | | |
| 27-9-1972 | AGM (9 th) The advent of oleo resins and spice extracts | Mr WA Parsons. Haarmann & Reimer | Didacta Bldg Auditorium | 22 & 3 | |

| | | | | | |
|------------------------|--|---|--|--------|---------------|
| 4-10-1972 to 5-10-1972 | Second SAAFoST Congress: Science and technology of fats, oils and fatty constituents of food. Invited guest speaker: Dr X Hardy. Torry Research Station. UK | Organising Chair: Mr JP de Wit. National Food Research Institute (NFRI) CSIR, Pretoria | Pretoria Showgrounds | | |
| 1973 | | | | | |
| 25-3-1973 | | | | | R1 & R1-85 |
| 25-4-1973 | Production of ready to eat breakfast cereals with special reference to Kelloggs | George L de Haven. Kelloggs, Battle Creek. Michigan | Holiday Inn, Jan Smuts | | R1 & R1-85 |
| | | | | | |
| 26-9-73 | Liaison between the Australian Bread Research institute, the CSIRO and the industry. | Mr e Bond. Director, Australian Bread Research Institute., & President International Association for Cereal Chemistry | Didacta Building, Skinner St Pta. | | |
| 3-10-1973 | The Responsibilities of the Food Industry A one-day symposium (Part of the SA Food Processing, Packaging and Distribution Exhibition) | Organising chair: Dr P van Twisk. National Food Research Institute, CSIR. | Milner Park, Johannesburg | | Free |
| 13-11-73 | The future of the fruit juice industry in South Africa | Mr CJ Burger. Genl Manager, Letaba Citrus Processors | Harlequins Club | | R2-00 |
| 1974 | | | | | |
| 4-6-74 | Techno economics and its application to the South African Food Industry. South Africa's current interest in soya beans | Mr PJ Neethling. Head, Techno Economics Research, CSIR. Dr Gerhard van Noort, R&D Manager, Jabula Foods. | Palms Hotel, Silverton. | | R2-50 & R3-50 |
| 27-8-74 | Aspekte van die inmaak van voedsels The economic aspects of marketing polyunsaturated dairy products and margarine | Mr H van der Merwe. Chief Chemist, Nestle. Mr CH Drummond. MD, Kynoch Feeds | Palms Hotel | | R3-50 |
| 1975 | | | | | |
| 12-3-75 | The essential oil industry of South Africa | Mr WA Parsons. Technical Manager, Haarmann & Reimer | Wanderers Club, Jhb. | | R2-00 & R3-30 |
| 29-5-1975 | Ultra violet technology and its application in the food industry | Mr Dave Clark. Sales Director, Contamination Control | Alfa Laval, lecture hall | | R1-00 & R1,50 |
| 10-9-1975 | BGM Film: Magnus and the beansteak | | Didacta Bldg | 16 & 3 | |
| 13-11-1975 | Marketing and consumerism | George Duncan. Nestle Isando | Pta Country Club | | R2,50 & R3,50 |
| 1976 | | | | | |
| 20-5-1976 | Food for the Future. A one day technical symposium. In conjunction with the International Food and Products Expo | Organising Chairman: Dr Pieter van Twisk | Pretoria Showgrounds, Pretoria West. | | R10 & R12 |
| | The technical man in industry | | | | |
| 3-8-1976 | The Canadian Grain Industry - an overview | Mr Alan Fowler. Wheat Industry Control Board | German Club, Pta | | R2-50 & R3-00 |
| 20-10-76 | All about yoghurt | Mr P Rose, Nestle | German Club | | R3-00 & R3-75 |
| 1977 | | | | | |
| 2-3-77 | | | | | |
| 13-4-1977 | Vleiswetenskap en Verhoogde Verdienste in die Vleisbedryf | Dr Raymond Naude. Head, Meat Research Institute | Nestle House, Randburg. Dinner at Swiss Inn | | R3,50 |

| | | | | | |
|------------------------------|--|--|---|----|-------|
| | Symposium | | | | |
| 13-7-77 | Branch BGM Boerewors, 'n krietiese, mikroskopiese ondersoek | Dr Willem A de Klerk. Div Biological Evaluation, NFRI. CSIR | Commanche Room, Oklahoman Hotel | 29 | – |
| 19-10-77 | The Aging of Plant Material and the Preservation of Flowers | Prof G de Swart. Rand Afrikaans University (RAU) | Oklahoman Motor Hotel | | R3 |
| 23-11-77 | Impressions of the Australian Food Industry | Mr WA Parsons. Haarmann & Reimer | | | |
| 1978 | | | | | |
| 2-2-1978 | Panel Discussion: What industry requires from Food Scientists and Technologists and how they are being trained in South Africa | Mr JP de Wit, Mr FR Schmidt, Brian Koeppen, Bill Stiekema, Mickey Lampbrecht | Holiday Inn, Jan Smuts | | R6,50 |
| 5-4-78 | The Law and Food Technology | Dr PN Swanepoel. Dep Dir Environmental Health | Hotel Boulevard | 65 | R4 |
| 9-8-78 | The Food Scientist and the Consumer – panel discussion | Mr Jan de Wit: NFRI (Chair), Mrs Betty Hirzel (SA National Consumer Union), Mr Sydney Matus (SPAR), Mr Johan Verheem (SA Co-Ordinating Consumers Union) | Holiday Inn. Jan Smuts Airport | | R4 |
| 5-10-78 | Emulsifiers for the Food Industry in Europe | Mr J Madsen Grinsted, Denmark | Holiday Inn, Jan Smuts Airport | | R4 |
| 1979 | | | | | |
| 17-1-79 | Fermentation Specialist Group Inauguration Meeting | Elected: Dr J Murray (SAB), Prof D Woods (UCT), Dr M Spivey (NCP), Mr R Bac (Anchor Yeast), Dr T Watson (NFRI), Dr JR Anderson (NFRI) | Johannesburg er Hotel | 50 | |
| 22-2-1979 | The Application of Fungal Pectinases and Beta Gluconases in the Food Industry | Mr I Hegelund Grinsted Denmark | Palms Hotel, Silverton | | R4 |
| 14-6-1979 | Overview of Lactic Fermentation of Foods and its Industrial Importance | Dr Les Bluhm Miles, Dir Food Science Research, Miles Laboratories. USA | Holiday Inn Jan Smuts Airport | | R5 |
| 25-7-1979 | Northern Branch BGM The Six Faces of Marketing | Mr FJ Marais, past Nat President: i) Institute of Marketing, ii) Round Table | Holiday Inn, Jan Smuts Airport | | R6 |
| 20-8-1979 to 23-8-1979 | 5 th Biennial SAAFoST Congress: Food for Health and Energy | Organising Chairman: Dr Gerard van Noort. Premier Milling, PQRS. Opening address: Prof Nabarro. Vice Rector, Wits. 7 O'seas speakers | Milner Park Showgrounds, Johannesburg | | |
| 12-10- 1979 | DoH liaison Meeting with Dept of Health Dr Swanepoel. 22 reps of food & allied industries | Chairman: Mr Malherbe (SABS) | Holiday Inn, Jan Smuts Airport | | |
| 25-10- 1979 | Technological Advances in Wine Making in South Africa | Mr Dave Bayly. Technical Director, Stellenbosch Farmers Winery | Holiday Inn, Jan Smuts Airport | | R6 |
| 1980 | | | | | |
| 12-2-80 | Alginates in the Food Industry | Dr DW Littlecott. Tech. Director, Alginate Industries. UK | Holiday Inn Jan Smuts Airport | | R7 |
| 19-3-80 | Applications of Microwave Technology in the | Mr Nicholas Meisel. | Boulevard | | R6 |

| | | | | | |
|----------------|--|---|--|-----|-------|
| | Food Industry | President Director Genl, International Microwave Industries. USA. | Hotel Pretoria | | |
| 21-5-80 | The Art of Perfumery | Mr Aubrey Parsons. Haarmann & Reimer | Holiday Inn, Jan Smuts | 65 | R7,25 |
| 28-5-80 | The Application of Genetic Engineering to the Fermentation Industries | Dr Jennifer Thomson | Rosebank Hotel | | |
| 2-7-80 | Food for All – presentations & panel discussion i) Mr S Adler, Riviera Foods, “Door to Door Foods” ii)Ms Renata Coetzee, Anglo American, “Mass Feeding and Food Trends”, iii) Mr Stan Elms, OK Bazaars, “Foods for Supermarkets” | Mr HB vd Merwe (Chair), | Southern Suns Airport Hotel | 96 | R7,50 |
| 30-7-80 | Dielectric Cooking in the South African Context | Mr Andre Liebenberg Consultant Engineer, van Staden & Liebenberg | Burgers Park Hotel, Pretoria. | 58 | R7,50 |
| 20-8-80 | Quality is Not Free | Mr HM Kritzinger. Asst GM, Quality Control, Armscor | Southern Suns Airport Hotel | 94 | R8 |
| | | | | | |
| | Yeast and Fermentation Technique Symposium (FSG) | | CSIR | | |
| 24-9-80 | The Production and Application of Enzymes in South Africa | Dr Mike Spivey National Chemical Products | | 65 | |
| 22-10-80 | The Importance of Pheromones and Smells in Mammalian Communication Systems | Prof Vic Pretorius. Head, Inst of Chromatography, University of Pretoria | Holiday Inn, Jan Smuts Airport. Buffet Dinner | 37 | R8,25 |
| 27-11-80 | Wine Tasting Evening - “The Art of Tasting and Evaluating a Selection of Fine Cape Wines”. | Miss Binky Levitan. Douglas Green | Rosebank Hotel | 103 | R9,50 |
| 1981 | | | | | |
| 18-2-81 | Have Textured Proteins and Their Application Been a Success? | Mr David Bailie. Marketing Manager, Tiger Protein Industries | Milpark Holiday Inn | 109 | R8,50 |
| 25-3-81 | Panel: What the Consumer Should Know About Preserved Food. | Chair Mr JP de Wit (VP CSIR), Prof H de Muelenaere SAAFoST President (Cerebos), Mr G Duncan (SA Assn Marketing), Prof JL Weyers (UNISA), G Uys (Natl Press Union), Prof G van Noort (Univ S'bosch) | Southern Sun, Airport | 99 | R13 |
| 21-5-81 | Spray Drying | Miss Christine Spence, Quality Control, Nutritional Foods | Burgerspark Hotel | 89 | R8,50 |
| 16-4-81 | Algae in Food | | | | |
| 10-6-81 | FSG BGM | | | | |
| 8-7-81 | BGM Northern Branch Managing Sanitation Programmes in the Food Industry | Mr Peter Gilbert. Tech Dir. Klensan | Milpark Holiday Inn | 80 | R9 |
| 19-8-81 | Educational Strategies for the Implementation of Critical Control Point Analysis to Food Quality Control | Prof Frank Busta | Jan Smuts Holiday Inn | 53 | R9,75 |
| 23-9-81 | The Food Processing Engineer | Mr MRR Zurlinden.Chief Engineer, Food and Nutritional Products | RAU | 55 | R7,50 |
| 10-11- 1981 | The Problems in Solving the Problems of Food Microbiology | Mr JJ Franken. Asst Dir & Microbiology Lecturer, Technikon Witwatersrand | Rand Afrikaans University | 69 | R7,50 |

| | | | | | |
|-----------------|--|--|---|-----|--------|
| 1982 | | | | | |
| 24-2-1982 | The Value and Benefits of Research With Special Reference to Milling and Baking | Mr EA Farrand. Retired Dep Director of the Lord Rank Research Centre. UK | Rand Afrikaans University | | R7,50 |
| 1-4-1982 | Bacteriophage Contamination and Control in Fermentation (FSG) | | | 36 | |
| 21-4-1982 | Food from the Veld | Mr Pinkie Wehmeyer. National Food Research Institute, CSIR | Univ. Pretoria | 63 | R7,50 |
| 16-6-1982 | Panel Discussion: Canning, Dehydrating, Freezing, Radurisation | HB vd Merwe, Arthur Stevenson and others | Roche Products | 80 | R8,50 |
| 7-7-1982 | Radurisation - food irradiation. Preceded by a tour of the Iso-Ster Radurisation Plant, Isando | Prof JS Diehl. Federal Research Centre for Nutritional Foods. Germany | Southern Suns Airport Hotel | 60 | R11,50 |
| 3-8-1982 | Air Filtration in Fermentation (FSG) | | | | |
| 18-8-1982 | The Toxicological Testing Aspects of Food | Prof Peter Wright. General Physiology Dept. Wits University | Roche Products | 75 | R8,50 |
| 29-3-1982 | Sensory Evaluation Workshops (Five of 2,5 days in Pta (3), Jhb (1), Cape Town (1). | Prof John Powers. University of Georgia. USA. Organising chairman: Mr Aubrey Parsons | Several, including Dept. of Food Science Univ. of Pretoria. | | R175 |
| 13-10-1982 | The Importance of Food Science and Technology to South Africa | Prof Chris Smit. University of Georgia. USA | University of Pretoria | 90 | R7,50 |
| 24-11-1982 | Buffet Dinner & Dance - end-of-year event | Jan Horn. SA Broadcasting Corporation | Rand Afrikaans University | 45 | R9,00 |
| 1983 | | | | | |
| 18-2-1983 | The Application of Enzymes in the Beverage Industry | Mrs BS Oleson | Milpark Holiday Inn | | |
| 23-2-1983 | Whiskey Production in South Africa | Mr Dave Acker. Stellenbosch Farmers Wineries | Rand Afrikaans University | 50 | R10 |
| 20-4-1983 | Fumigation as a Technique of Food Protection | Dr L de Lange. Degesch SA (Pty) Ltd | Southern Suns Airport Hotel | 73 | R10 |
| 28-4-1983 | Aspects of Genetic Engineering and Industrial Organisms. (FSG) | Prof D Woods | Milpark Holiday Inn | | |
| | | | | | |
| 27-7-83 | NBr BGM Cultured Dairy Products | Dr EH Langner. National Co-Operative Dairies | Jan Smuts Holiday Inn | 124 | R10 |
| 8-9-83 | Whey and Milk Protein Derivatives and Their Application and Uses in Food Formulations | Mr T Christiansen. New Zealand Dairy Board | Milpark Holiday Inn | 114 | R10-50 |
| 21-9-83 | Vitamin C | Mr Dave Robertson. Roche Products | University of Pretoria. Klubsaal | 44 | R9-00 |
| 12-10-83 | Gums | | | | |
| 13-10-83 | New and Novel Alginate Applications in Food Products (FSG BGM) | Mr IA Challen. Kelco/AIL International Ltd | Milpark Holiday Inn | 54 | R10-50 |
| 23-11-83 | The Search (A film on cholesterol to be commented upon afterwards by head of the SABS) | Dr Jean du Plessis. SABS | Roche Products | 92 | R9-50 |
| 1984 | | | | | |
| 25-1-1984 | Gelatin | Mr Bernard Cole: Davis Gelatin Industries | Jan Smuts Holiday Inn | 73 | R10-00 |
| 15-2-1984 | Soya Protein in Foods - Worldwide Applications and Food Law | Arnold van Hecke. Manager, Regulatory and Legal Affairs, Purina Protein Europe. Belgium. Robin Larmuth, Area Manager SA. | Jan Smuts Holiday Inn. Isando | 136 | R6-75 |
| 23-3-1984 | Applications of HPLC in the Food Industry – continuous monitoring of fermentation | Dr R Day. Technical Support Manager, | Inanda Club. Sandton | | R6-50 |

| | | | | | |
|-------------------------------------|--|---|---|--------------|--------|
| | processes using HPLC. | Water Associates. USA | | | |
| 28-3-1984 | Use of Distilled Monoglycerides and Diacetyl Tartaric Acid Esters in Cereal Based Foodstuffs | Mr Torben Joensson. Grinsted, Denmark | Roche Products | 70 | |
| 15-5-1984 | Latest Developments in the Use of the Air Gases in the Food Industry | Mr Adrian Gebbett. Food Applications Manager, Fedgas Pty Ltd | Holiday Inn, Jan Smuts Airport | 75 b 62 p | R10-00 |
| 13-6-1984 | The Stautus of Red and White Meat Products in the USA - Industry, Scientific and Consumer Insight | Prof HD Naumann. Chairman Dept Food Science & Nutrition. Univ Missouri, Columbia. USA | University of Pretoria | | R10-50 |
| 15-8-84 | Die Samestelling van die Eetbare Plantolies; i) Eienskappe wat vir die nywerheid van belang is. ii) Gebruik van hierdie einskappe om die samestelling van oliemengsels te bepaal | Mr LM du Plessis, Mr PJ van Niekerk. National Food Research Institute, CSIR | University of Pretoria | | R8-50 |
| 4-9-84 | Quality Assurance:Management Interface - do we speak the same language? | Mr Peter Gilbert. Capsule Laboratories (Pty) Ltd | Inanda Club. Sandton | | R10-00 |
| 19-9-84 | The Use of Enzymes for the Production of Fructose Syrup | Annette Moelgaard. Technical Services Dept. Novo Industries, Denmark | Roche Products | | R9-00 |
| 27-9-1984 to 29-9-1984 Also 3-5 Oct | Food Quality Management | Mr Peter Gilbert, Mr Alex von Holy.Capsule Laboratories | Dept Food Science. University of Pretoria | | |
| 3-10-84 | Trypsin Inhibitors and Lectins in Legumes – are they of any concern to the food technologist? | Prof Irvin E Liener. College of Biological Sciences, University of Minnesota. USA | University of Pretoria. Klubsaal | | R12-50 |
| 28-11-84 | Quality from Technology | Mr S Susman. Senior Executive, Woolworths | Roche Products | 170 | R11-00 |
| 1985 | | | | | |
| 6-2-85 | Recent Developments in Technology in the Cheese Industry | Prof SH Lombard. Prof of Food Science, University of Pretoria | University of Pretoria | | R12-00 |
| 20-3-85 | Aspects of Packaging - Bar Coding and Deposit Legislation on Packaging | Mr RM Pearcey: SA Numbering Association. MrOC Bruyns: Packaging Council of SA | Roche Products | | R15-50 |
| 25-27-3-85 | Food Quality Management Course (5 th of its kind) | Mr Peter Gilbert, Mr Alex von Holy | University of Pretoria | 25 | |
| 24-4-1985 | Phytic Acid – an Anti-Nutrient Factor in Some High Fibre Foods | Dr Mr Sly & Mr JRL Cilliers. National Food Research Institute, CSIR. | University of Pretoria | | R12-00 |
| 22-5-1985 | Microbes for Food: the Future | Prof Helen Garnett. Dept Microbiology, Wits University | Inanda Club | 117 | R8-50 |
| 12-6-1985 | Concentration Techniques in the Food Industry | Mr Andrew Murray. Consulting Engineer | Roche Products | | R13-00 |
| 31-7-1985 | Food: Health and Labelling. NBr BGM | Mr Jeremy Hele. Executive Director, Grocery Manufacturers' Association | Airport Sun Hotel Kempton Park | 28M 5 G | R9-00 |
| 19-8-1985 to 20-8-1985 | 8 th Biennial SAAFoST Congress: SAAFoST 85 | Organising Chairman: Mr W Aubrey Parsons. Haarmann & Reimer SA (Pty) Ltd | CSIR Conference Centre, Pretoria. | | |
| 2-10-1985 | The Nutritional Status of Food Technology in South Africa | Mr JA de Villiers. Consultor Group Pty Ltd | University of Pretoria | 31 | R12-00 |
| 7-11-1985 | Quality Management Symposium. In association with Capsule Labs | Dr Alex von Holy. Capsule Labs | Inanda Club. Johannesburg | | |
| 20-11-1985 | Quality Aspects in Supermarkets | Mr Peter Dove. Pick 'n Pay | Southern Suns Airport Hotel | 90 | R10-00 |

| | | | | | |
|------------------------|--|--|---|-----|-----------|
| | | | | | |
| 1986 | | | | | |
| 4-2-1986 | Market Trends in the Cooling of Food in Northern Europe | Dr Günther Dinglinger. Food Processing Engineering Head of R&D on All Gas Applications at Messer Griessheim. West Germany. | Eskom Club. Megawatt Park | 34 | R11-50 |
| 19-3-1986 | The Meaning of Flavours and Textures in Food | Dr JS Jellinek. Marketing Manager, Dragoco International, Holtzminde. West Germany. | Roche | 84 | R10-50 |
| 20-3-1986 to 2103-1986 | Food Quality Management | Dr Alex von Holy. Capsule Laboratories | | | |
| 15-5-1986 | The Staff of Life | Prof AEG McGill. Dept Food Science, University of Pretoria | Eskom Club. Megawatt Park | 107 | R13-00 |
| 26-6-1986 | Nutrition in Sport | Dr Tim Noakes. Dept Physiology, University of Cape Town, Medical School | Eskom Club. Megawatt Park. | 95 | R13-50 |
| 29-7-1986 | The Formation of Mycotoxins and Their Importance in the Food Industry | Dr Mike F Dutton. Head, Dept Biochemistry, University of Natal. | Roche Products | 76 | R11-50 |
| 10-9-1986 | Four Decades of Food and Nutritional Research in SA | Dr JJ Dreyer. Retired Head, Biological Evaluation Section. National Food Research Institute, CSIR. | Roche Products | 80 | R11-00 |
| 30-10-1986 | The Sense and Nonsense of Chemicals in Food | Prof Harry Seftel. Prof of Medicine and Chief Physician, Hillbrow Hospital and Prof of African Diseases, University of the Witwatersrand | Eskom Club. Sunninghill | 119 | R13-50 |
| 20-11-1986 | Chamdor Training Facility, Presentation, Tour and Braai The Chernobyl Disaster | Prof Bert McGill. Dept Food Science. University of Pretoria | Chamdor Training Centre, Industrial Site Chamdor. | 78 | R10-00 |
| 1987 | | | | | |
| 26-2 1987 | Studies of Crisp Extruded Products in the USA | Dr Etienne Nortje. Acting Head, Food Technology, National Food Research Institute. CSIR. | Roche. Isando | 73 | R11-00 |
| 1-4-1987 | Factory Visit: Coca Cola, Olifantsfontein. Presentation – High Fructose Syrup vs Sugar in Coca Cola Production | Mr Hein Bezuidenhout. Coca Cola | Coca Cola Olifantsfontein | | No charge |
| 29-4-1987 | Algenate Production in South Africa | Mr Klaus Rotmann. | Eskom Club. Megawatt Park. | 58 | R13-00 |
| 14-5-1987 | Dental Caries and Diet; Some Current Concepts | Prof PE Cleaton-Jones. Director, Dental Research Institute. Wits University. | Eskom Club. Megawatt Park | 47 | R13-50 |
| 25-6-1987 | Anthocyanins - Unsolved Colour Problem | Dr IAG Weinert. | Roche, Isando. | 60 | R12-00 |
| 13-8-1987 | BGM Northern Branch The Makers of the Finest Beers | Dr Phil Torline. Chief Chemist. SA Breweries | Airport Sun Hotel, Kempton Park. | 113 | R14-00 |
| 7-10-1987 | Spice Extracts and Savoury Flavours | Mr Hans Klië. Senior | Megawatt Par | 110 | R14-00 |

| | | | | | |
|------------------------|---|---|--|-----|--------|
| | | Flavourist, Haarmann & Reimer. West Germany | Club. Sandton | | |
| 21-10-1987 | i) Vitamin C in Food ii) Ribotide (Disodium 5 Inosinate/Guanylate) as Flavour Enhancer | Dr Hiroshi Kimura. Director of Technical R&D, Fine Chemical Division, Takeda Chemical Industries Ltd. Japan. | Megawatt Park Club. | 70 | R14-50 |
| 26-10-1987 | International Trends in Food Legislation with Particular Reference to Legislation Format. | Mr Arnold van Hecke. Chairman, Vegetable Protein Association. Official Observer, Codex Alimentaris in Western Europe. | Megawatt Park Club. Sandton | 36 | R15-50 |
| 26-11-1987 | Factory Tour: African Products Ltd | Hostess: Treasure Froy Presentation/Welcome: Mr Aubrey Parsons (SAAFoST), Mr Sias Smith (Afprod). | African Products Industrial Sites, Meyerton | 83 | R11-50 |
| 1988 | | | | | |
| 17-2-1988 | Mixing of Liquids for the Food Industry | Mr Bill Baguley. Mixtech CC | Roche Products, Isando | 79 | R16-00 |
