

25. MEMBERS HANDBOOK

Members handbooks were introduced in 1987 in order to provide information to members on the names and contact details of office bearers and committee members, objectives of the association, details of awards and bursaries, classes of membership, details of publications available to members, names of Past Presidents and Honorary Life Members - along with a list of all members of the association.

The need for a printed handbook, which was mailed to all members, fell away as the website www.saafofst.org.za contained most of this information and the last one was issued in 2005.
