

6. MISSION STATEMENT

SAAFoST's mission statement was developed by the Council at a strategic planning workshop in 2000 and subsequently presented and approved by the membership at the Biennial General Meeting in 2001.

SAAFoST will be the primary regional organisation for Food Science and Technology professionals in business, government and academia through its commitment to:

- *Advancing Food Science and related technologies for the supply of safe and wholesome food*
- *Creating, interpreting and disseminating food related scientific information*
- *Providing opportunities for personal and professional development*
- *Upholding professional standards of competence and integrity.*
