## Cape Branch

---

19 February 2010

Dear Cape Branch Member,

There's no doubt that 2010 is huge for South Africa in more ways than one. For us as SAAFoST members, it is of particular significance because our association celebrates its 50<sup>th</sup> anniversary and we get to host the IUFOST Congress in August (22<sup>nd</sup> - 26<sup>th</sup>) - a first for Africa and a definite coup for Cape Town!

As South Africans, it doesn't get bigger than the soccer spectacular in 2010! With the thousands of people expected to descend on the country, what does it all mean? Are we ready for what's coming? What about food safety? Are we up to the task?

Well, the Cape Branch Committee is thrilled to invite you to attend an evening of networking and a talk to explore and find answers to the above questions with two City of Cape Town professionals who have been intimately involved in the process!
