

See the latest Food Science innovations at IFT15 in Chicago, July 11-14

Get practical inspiration...connect with the global Food Science community...save money

Today's competitive environment requires you to accomplish more than ever, in less time and with fewer resources. The best way to get new ideas and develop fresh strategies to meet these demands is right around the corner – at the food industry's premiere event, [IFT15: Where Science Feeds Innovation](#).

Join more than 23000 food professionals in Chicago, July 11-14, to see, taste, touch, and experience the world of Food Science and Technology at IFT15.

Hosted by the Institute of Food Technologists (IFT), a non-profit scientific society, this one-of-a-kind event will connect you with peers from more than 90 countries and give you access to insights from industry visionaries.

Hear directly from the leaders in innovation . . .

[Choose from among more than 90 sessions](#), divided into focus area and core science tracks. Learn about what's hot now, what's next in terms of emerging trends, and what new applications are making the industry take notice, so your organization can effectively capitalize on them.

See the latest products and meet the people behind them . . .

Looking for what's new? See, touch, taste, and experience [the largest collection of food ingredients, and equipment, processing, and packaging technologies](#), all under one roof, to help you drive innovation within your organization. If its new, you'll find it here!

Expand your business connections and extend your professional network (and have some fun, too) . . .

Take advantage of [social events and informal opportunities](#) to reconnect with old friends, meet new people and make important new business connections. You'll meet food professionals from more than 90 countries and from companies such as ADM, Abbott, Diageo, Glanbia, Cargill, Kerry, MARS, McCormick & Co., Mondeléz International, Pfizer Nutrition, Tate & Lyle, Unilever Foods, and more.

Expand your knowledge base, enhance your skills and extend your expertise.

[Register now to join us](#), and be sure to choose the "Total Access" option to take advantage of virtually everything the event has to offer! **Register by May 29 and save up to \$150!***
