

FACTS Regulatory Workshop

SA FOOD LABELLING REGULATIONS – All you need to know & where to find it

with guest speaker Janusz Luterek, Hahn & Hahn Attorneys

CAPE TOWN 26-27 JULY 2016
GAUTENG 22-23 AUGUST 2016

FACTS is hosting a 2-day workshop with the aim to provide an in-depth understanding of all the relevant regulations relating to the labelling of foods.

Often focus is placed on R.146 (Regulations relating to the labelling and advertising of foodstuffs), but there are many other regulations that also have implications on the labelling of a food.

WHERE & WHEN:

CAPE TOWN: 26 - 27 July @ STIAS, Stellenbosch

GAUTENG: 22 - 23 August @ CSIR, Pretoria

Please find the registration form and program attached.

DAY 1 will provide an introduction to the government bodies that regulate labelling of foods, as well as in-depth training on R.146.

DAY 2 covers some of the other regulations regulated by the Department of Health that relate to labelling of foods, as well as an overview of the implications of the Department of Agriculture, Forestry & Fisheries and Department of Trade & Industry regulations on the labelling of foods.
