## CALL FOR PAPERS

Dear Foundation for Research Development / SAAFoST,

We are delighted to announce that the Vitafoods Europe 2015 Call for Papers is now open!

Building on over 18 years expertise, Vitafoods Europe presents a unique platform to showcase the very best within functional food, nutraceutical ingredients, raw materials, dietary supplements, as well as indispensable updates on regulation, legislation and new technology.

The conference agenda will be developed by the Vitafoods Europe Executive Advisory Board (EAB), representing over 15 independent industry experts.

**To this end, the EAB invites you to take part in this year's Call for Papers process for a chance to participate in the official 2015 programme.**

For further information, full list of 2015 categories and to submit your abstract please visit our website: [www.vitafoods.eu.com](http://www.vitafoods.eu.com).

**The deadline for submissions is Friday, 14<sup>th</sup> November 2014, 23:59 GMT.**

At Vitafoods Europe, we pride ourselves on bringing forward and promoting new innovation, ideas, and research. To this end, we strive to go on recommendations wherever possible. Please feel free to circulate this email to any colleagues as you think appropriate or direct them to Carolina Lindahl, Conference and Content Manager, via [carolina.lindahl@informa.com](mailto:carolina.lindahl@informa.com)

Please do not hesitate to contact us should you have require any further information.

Kind Regards,

**Carolina Lindahl**
