

Calling all employers and SAAFoST students

**ARE YOU THE ONE
WE'RE LOOKING FOR?**

Need an employee?

If you are looking for someone for your lab, manufacturing facility, or need help with product development, QA, food safety or research, then look no further – SAAFoST currently has 30 students who are seeking work opportunities.

The *Select a Student* site has just been updated and is a service to employers in the food and allied industries to find recent SAAFoST graduates or students for full- and part-time time jobs, internships and in-service training.

Students can be selected either by their preferred area of work or geographical location.

Looking for a job?

As a Food Science and Technology student or graduate (you must be a SAAFoST member), the *Student on Site* website will help you look for in-service training, holiday work or start a career in the food and allied industries.

Sign up now!
