

SAAFoST Northern Branch Lecture

Presentation Title:

The Food Factory of the Future

Speaker:

Sahar Nikouie Adl

Buhler (Pty) Ltd South Africa

Sahar graduated with a BSc in Food Processing Engineering from Ulum Tahghighat University, Tehran in 2004 , an MSc in Food Processing Engineering from the University of Teheran in 2008, and a Doctorate in Business Administration from the Tehran Institute of Technology, Iran in 2013. Her current role in South Africa as Sales Account Manager in Chocolate, Coffee, Nuts and Aeroglide, is to promote the Buhler Company portfolio in Africa.

Buhler, founded over 150 years ago, is a specialist technology partner for plant and equipment and related services for processing basic foods and manufacturing high grade materials. The Group is a global market leader in the supply of flour production plants, pasta and chocolate production lines and animal feed manufacturing installations. A Buhler view of the Factory of the Future is as good a glimpse of what lies ahead as one is likely to experience!
