Dear hiring manager or to whom it may concern

Greetings to the hiring manager my name is Prutty Segodi Makunyane I'm applying for food technology internship, which I have found through browsing the internet and I'm very interested in working with the company as it would be a great opportunity for me to enhance my skills and knowledge obtained.

I have gained the skills of evaluating samples through sensory processing, analytical, reporting writing, computer skills and problem solving through my educational course in food technology diploma. I am such an attentive learner and was in the best life sciences in my high school level and outstanding presenter and good netball player.

I'm a suitable candidate for this position as I'm such a cooperative, problem-solving and have communication skills, as well as matching with the requirements mentioned in the post. I'm dedicated about the post and willing to learn and develop new skills in this position. It will be an awarding of you to have me in your company as I'm a true reflection of what you are looking for.

I'm very excited about this role and thank you employer for your time and I'm requesting an interview so that we can indulge more about this internship, looking forward to hearing from you soon.

Yours sincerely
Prutty
M.ps.
