

MySAAFoST REPORT 2022 – 2023

1. Membership

We currently have members in the following institutions – University of Pretoria, Cape Peninsula University, Stellenbosch University, University of the Free State. We have representatives from the following institutions - University of Johannesburg, Tshwane University of Technology and University of Venda. Overall membership is very low as well as participation in the MySAAFoST committee by the representatives from institutions.

Action: We have prepared a Power Point slide to be used as part of marketing to encourage membership.
