Dear SAAFoST Members

Re: Motion to Appoint both Vice-President nominees to Vice-Presidents of SAAFoST

I would like to propose that rather than revealing the outcome of the voting procedure for the position of Vice-President of SAAFoST, we elect both candidates to joint Vice-Presidents of SAAFoST.

I believe that both candidates can add exceptional value to SAAFoST in the next two years, in which it is envisaged that many new initiatives within SAAFoST will be rolled out. I do not have to make mention of their qualifications here – CV's for both were available during voting.

We often struggle to find volunteers to serve on SAAFoST committees and thus, it is my belief that this would be a win-win for SAAFoST. There is more to be gained by appointing both as Vice-Presidents, than only appointing one!

This would not be the first time SAAFoST has had two Vice-Presidents and, I am also not intimating that this should be the norm.

I trust members will vote on this motion with SAAFoST's best interests in mind.

Kind regards

Gunnar Sigge
